

# T2019

International Council on Alcohol, Drugs and Traffic Safety Conference

August 18-21, 2019

Edmonton, Alberta, Canada

## Workshops and Special Sessions

### **Young Scientists**

A young scientist is a researcher under the age of 35 and/or a researcher who has begun their career in road safety within the past 5 years. Organizers of the 22nd International Council on Alcohol, Drugs and Traffic Safety (ICADTS) Conference (T2019) in Edmonton, Alberta, Canada, are calling for Abstracts from young scientists for a special session. When submitting abstracts, follow the general abstract submission guidelines and consider the variety of primary subject areas.

If enough abstracts are submitted and accepted, a special session featuring the work of young scientists will be held at the conference.
